

KAYA BLENDERS

towards its National Presence Launches at Bengal

Kaya Blenders and Distillers Limited Under the Visionary Mr. Karun Kaura has put its foot forward in the National market. Kaya, towards its National presence launches its Brands and products at Bengal. With leading innovation and research in the manufacturing of their products, Kaya Blenders promise its customers unique quality that satiate not only their taste-buds but also meet national as well as international standards. Achieving a significant milestone, Kaya Spirits recently organized a launch event on Friday, August 17th, in Kolkata at Hotel Swissotel. During the event, the company launched two of its premium products that cater to the tastes of premium beverage lovers. The intense flavor of the products take the consumers on an adventurous journey. Those looking for something new and sassy would love the products.

The launch event was graced by the CMD of Kaya Blenders Mr. Karun Kaura, Director Mr. Mitin Pattnaik and the Regional Director Mr. Subir Ghosh. The CMD of the Kaya Spirits Mr. Karun Kaura completely disregards compromising on the quality and believes in employing the best means to cre-

ate a market for the company and its products. He is quite positive about the launching in the region that would stamp its presence widely and relish it to a great extent. Kaya Blenders has already made its presence in more than 15 states of the country and are taking significant strides to market its products across the nation. Kaya Blenders is internationally acclaimed for the unmatched quality of its products. It believes in producing products of top-class quality in consonance with its standing and reputation at the global level.
